WEBINAR INFORMATION SESSIONS: INDIGENOUS HEALTHY HOMES RESEARCH PROJECT (IHHRP)

SPONSORED BY ALBUQUERQUE AREA INDIAN HEALTH BOARD INC. & ALBUQUERQUE AREA SOUTHWEST TRIBAL EPIDEMIOLOGY CENTER

WHO SHOULD ATTEND

Tribal community members or staff in the Indian Health Service (I.H.S.) Albuquerque Area interested in participating in a National Institutes of Health funded health research project.

SESSION OVERVIEW

The IHHRP team will provide an overview of the research project and purpose which is to identify and decrease home indoor environmental exposures, such as radon, fall injury risks and hazards, asthma triggers, and everyday stressors to support healthier homes & communities.

Attendees will have the opportunity to ask questions about the research project and application process.
